Property to Be Searched

1. The cellular telephones assigned call number (757) 510-3547, IMEI 864668033324368 (757) 407-6410, IMEI 990000810415770, (the "Target Cell Phones"), whose wireless service provider is **Verizon Wireless** a company headquartered at 1095 Avenue of the Americas, New York, New York 10013.
2. Information about the location of the Target Cell Phones that is within the possession, custody, or control of **Verizon Wireless**, including information about the location of the cellular telephone if it is subsequently assigned a different call number.

ATTACHMENT B

Particular Things to be Seized

All information about the location of the Target Cell Phone described in Attachment A for a period of thirty days, during all times of day and night. “Information about the location of the Target Cell Phone” includes all available E-911 Phase II data, GPS data, latitude-longitude data, and other precise location information, as well as all data about which “cell towers” (i.e., antenna towers covering specific geographic areas) and “sectors” (i.e., faces of the towers) received a radio signal from the cellular telephone described in Attachment A.

In addition, **Verizon Wireless** must furnish the government all information, facilities, and technical assistance necessary to accomplish the collection of the Location Information unobtrusively and with a minimum of interference with **Verizon Wireless**’s services, including by initiating a signal to determine the location of the Target Cell Phone on **Verizon Wireless**’s network or with such other reference points as may be reasonably available, and at such intervals and times directed by the government. The government shall compensate **Verizon Wireless** for reasonable expenses incurred in furnishing such facilities or assistance.

This warrant does not authorize the seizure of any tangible property. In approving this warrant, the Court finds reasonable necessity for the seizure of the Location Information. *See* 18 U.S.C. § 3103a(b)(2).
